NEW QUESTION: 1 Complete this sentence: _____ is the process of collecting and distributing performance information including status reports, progress measurements, and forecasts.
A. Report performance
B. Corrective action
C. Monitor and control project performance
D. Earned value management
Answer: A
Explanation:
Explanation/Reference: Explanation: Report performance is a project process that collects and distributes information on the project work.
Incorrect Answers: A: Corrective action is a response to project performance to bring the project back into alignment with expectations. C: Earned value management may be used as the tool and technique for determining project performance. D: Monitor and control project performance is not a project process so this choice is not valid.

NEW QUESTION: 2 **A.** an A record for Autodiscover **B.** a PTR record for the Mailbox server **C.** an A record for a Mailbox server **D.** an MX record for SMTP domain
Answer: A
