SCENARIO Please use the following to answer the next question: WonderkKids provides an online booking service for childcare. Wonderkids is based in France, but hosts its website through a company in Switzerland. As part of their service, WonderKids will pass all personal data provided to them to the childcare provider booked through their system. The type of personal data collected on the website includes the name of the person booking the childcare, address and contact details, as well as information about the children to be cared for including name, age, gender and health information. The privacy statement on Wonderkids' website states the following: "WonderkKids provides the information you disclose to us through this website to your childcare provider for scheduling and health and safety reasons. We may also use your and your child's personal information for our own legitimate business purposes and we employ a third-party website hosting company located in

Switzerland to store the data. Any data stored on equipment located in Switzerland meets the European Commission provisions for guaranteeing adequate safeguards for you and your child's personal information. We will only share you and your child's personal information with businesses that we see as adding real value to you. By providing us with any personal data, you consent to its transfer to affiliated businesses and to send you promotional offers." "We may retain you and your child's personal information for no more than 28 days, at which point the data will be depersonalized, unless your personal information is being used for a legitimate business purpose beyond 28 days where it may be retained for up to 2 years."
