NEW QUESTION: 1 Answer: Explanation:

NEW QUESTION: 2 When do you implement the Approval process in SAP Hybris Cloud for Customer? There are 3 correct answers to this question. **A.** You want another user to review a business object before it can be processed further. **B.** You want to define multiple review processes for the same business object. **C.** You want the direct approver of a business object to be the reporting line manager. **D.** You want to define multiple review steps for the same business object. **E.** You want different reviewers for a business object based on different conditions. **Answer: A,D,E**

NEW QUESTION: 3 Company Background Corporate Information Lucerne Publishing produces magazines. The company has 225 employees. Lucerne Publishing has affiliates in five countries in Europe. Existing Environment Existing Licensing Solution Lucerne Publishing has a main office and multiple branch offices. Licenses for all branch offices are purchased under an Open License agreement without Software Assurance. The agreement includes licenses for the following: Microsoft Office Professional 2003 Windows XP Professional Upgrade The Open License agreement has expired. Business Requirements Planned Changes The company's revenue is decreasing. To reduce operating costs, the company plans to reduce the number of employees and the number of desktops and portable computers. After the cost reductions, some former employees will work for the company as contractors. All contractors must purchase their own portable computers because they will not be working exclusively for Lucerne Publishing. All employees will require a new third-party accounting application that requires Office Professional 2007. The company plans to implement a collaboration solution for the contractors. This collaboration solution must not require a server. Business Goals Lucerne Publishing has the following business goals: Upgrade Microsoft software to the latest version when available Avoid external financing for licenses and minimize initial licensing costs Implement a collaboration solution for contractors only Protect the data on portable computers owned by the company in case of theft Choose a licensing solution that allows the company to reduce the number of licenses for computers Prevent all contractors from accessing the company's internal network. Question Which method is the most cost-effective

way for the company to license Office for the next three years?**A. Open Value Subscription****B. Open License****C. Enterprise Agreement Subscription****D. Select Plus with Software Assurance Membership (SAM)****Answer: A**
