NEW QUESTION: 1 In order to optimize performance on your network, you enable Ethernet Jumbo Frames. You now occasionally get errors because the Jumbo Frames are not being delivered to their destination. What is the most likely cause?**A.** The Differentiated Services Code Point (DSCP) bits are set to 0. Jumbo Frames require priority status.**B.** The Explicit Congestion Notification bit in the DSCP field is set to 1. Jumbo Frames work better in networks with Explicit Congestion Notification enabled.**C.** The MTU size on some intermediate device is too small, and the Don't Fragment bit in the Jumbo Frame's IP header is set to 1.**D.** Jumbo Frame format is not compatible with all traffic types.**Answer: C**

NEW QUESTION: 2 Your company uses Microsoft SharePoint Online for collaboration. A document library is configured as shown in the following table. You need to enable the coauthoring of documents in the library. What should you do?**A.** Change the Create a version each time you edit a file in this document library? setting to No Versioning.**B.** Change the Require documents to be checked out before they can be edited? setting to No.**C.** Change the Require content approval for submitted items? setting to No.**D.** Change the Who should see draft items in this document library? setting to Any user who can read items.**Answer: B**
Explanation: Explanation/Reference: Explanation: The question states that coauthoring of documents in the library is required. Coauthoring means the ability of multiple people to be able to edit a document simultaneously. One way to control document collaboration is to require check-out of files, especially when multiple users have access to the library. If you have a file checked out, you can be sure that other people cannot overwrite it. However, you are also preventing other people from seeing the latest changes or making changes themselves. Do not

configure your library to require checkout if people plan to co-author documents in the library. People cannot work simultaneously on documents when required check-out is turned on.
