**NEW QUESTION: 3**In conclusion, it seized first the corpse of the daughter, and thrust it up the chimney, as it was found; then that of the old lady, which it immediately hurled through the window headlong. As the ape approached the casement with its mutilated burden, the sailor shrank aghast to the rod, and, rather gliding than clambering down it, hurried at once home--dreading the consequences of the butchery, and gladly abandoning, in his terror, all solicitude about the fate of the Ourang-Outang. The words heard by the party upon the staircase were the Frenchman's exclamations of horror and affright, commingled with the fiendish jabberings of the brute. I have scarcely anything to add. The Ourang-Outang must have escaped from the chamber, by the rod, just before the break of the door. It must have closed the window as it passed through it. It was subsequently caught by the owner himself, who obtained for it a very large sum at the Jardin des Plantes. Le Don was instantly released, upon our narration of the circumstances (with some comments from Dupin) at the bureau of the Prefect of Police. This functionary, however well disposed to my friend, could not altogether conceal his chagrin at the turn which affairs had taken, and was fain to indulge in a sarcasm or two, about the propriety of every person minding his own business. Which selection best rephrases "I have scarcely anything to add" starting of 2nd paragraph?**A.** I only have a little bit more to tell.**B.** I'm concerned I can't add much more.**C.** I don't know anything else to add.**D.** I've told you everything I know.**E.** I'm afraid of what I have left to tell.**Answer: C** Explanation: "I have scarcely anything to add" is almost a euphemism but literally means, having solved the mystery, "I don't know anything else to add."

**NEW QUESTION: 4**Which three questions might be answered by Development Team members at the Daily Scrum? (Choose the best three answers.)**A.** What will I be working on tomorrow?**B.** How many hours did I spend on the project yesterday?**C.** How is the Sprint proceeding?**D.** What will I do today to help the Development Team meet the Sprint Goal?**E.** Do I see any impediment that prevents me or the Development Team from meeting the Sprint Goal?**F.** What did I do yesterday that helped the Development Team meet the Sprint Goal?**G.** Why were you late?
