NEW QUESTION: 2Which three statements are true about the lifecycles of service consumers and service providers? (Choose three.)**A.** The service provider lifecycle must be complete before the service consumer lifecycle can begin.**B.** Interactions between the lifecycle of a service consumer and the lifecycle of a service provider result in the creation of a service utilization contract.**C.** The two lifecycles can be related because any component could be both a service consumer and a service provider.**D.** The two lifecycles interact because the service consumer uses the service of the service provider.**Answer: B,C,D**

NEW QUESTION: 3Which of the following would BEST ensure the success of information security governance within an organization?**A.** Steering committees enforce compliance with laws and regulations**B.** Security training available to all employees on the intranet**C.** Steering committees approve security projects**D.** Security policy training provided to all managers**Answer: C**
Explanation:ExplanationThe existence of a steering committee that approves all security projects would be an indication of the existence of a good governance program. Compliance with laws and regulations is part of the responsibility of the steering committee but it is not a full answer. Awareness training is important at all levels in any medium, and also an indicator of good governance. However, it must be guided and approved as a security project by the steering committee.

NEW QUESTION: 4BGPの更新はメモリの消費量が少なくなります - 質問についてはよくわかりませんか？（2つ選んでください）**A.** アクセスリスト**B.** その他のオプション**C.** 集約ルート**D.** プレフィックスリスト**Answer: C,D**
