NEW QUESTION: 1Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution that might meet the stated goals. Some question sets might have more than one correct solution, while others might not have a correct solution.After you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen.You have an Azure Active Directory (Azure AD) tenant named Adatum and an Azure Subscription named Subscription1. Adatum contains a group named Developers. Subscription1 contains a resource group named Dev.You need to provide the Developers group with the ability to create Azure logic apps in the Dev resource group.Solution: On Dev, you assign the Contributor role to the Developers group.Does this meet the goal?**A. Yes****B. No****Answer: A**

NEW QUESTION: 2In which phase of the index time process does the license metering occur?**A. Licensing phase****B. Parsing phase****C. input phase****D. Indexing phase****Answer: C**

NEW QUESTION: 3The best way for HR to contribute to the development of an organization's strategic plan using internal business operational factors is to do which of the following?**A. Interpret and apply internal operational information such as the relationships between departments****B. Stay informed of technological developments****C. Scan the legal and regulatory environment****D. Analyze industry changes****Answer: A**Explanation:Answer option A is correct.The ability to interpret and apply information related to internal sources allows HR to respond to specific elements of an organization's strategic plan. For example, understanding how an HRIS system can integrate with an accounting database is one example of cross-functional strategic decisions. Scanning the legal and regulatory environment (B), analyzing industry changes (C), and staying abreast of technological advances (D) are all examples of external forces that impact a strategic plan.Chapter: Core Knowledge Requirements for HR Professionals Objective: Review Questions
