You need to assign licenses to the new users. Which command should you run? A: B: C: D: **A.** Option A **B.** Option B **C.** Option C **D.** Option D **Answer: D**

**NEW QUESTION: 2**A component project manager escalates an issue regarding a key stakeholder to the program manager. The key stakeholder does not respond to emails or phone calls, and the project manager believes this key stakeholder is exhibiting a negative attitude toward the work. The key stakeholder has a significant influence over the component project, which could impact other components if delays occur. The program manager's attempts to reach the stakeholder via email also fail. What should the program manager do next? **A.** Update the program risk register to reflect a realized risk and execute the documented risk response **B.** Escalate the issue to the stakeholder's supervisor **C.** Attempt to call the key stakeholder; if unsuccessful, visit their office to identify potential risks **D.** Escalate the issue to the program governance board, as delays will impact the program **Answer: C** **Explanation:** Explanation Section: Volume D

**NEW QUESTION: 3**A corporation has implemented Oracle Fusion Workforce Compensation. As a Fusion consultant, you are required to set up the Deductions options. If Deduction cards are supported at multiple levels, which task in the Setup and Maintenance Work area is used to create deduction card overrides at the Payroll Statutory Unit level? (Choose the best answer.) **A.** Manage Payroll Deductions **B.** Manage Legal Entity Deduction Records **C.** Manage Legal Reporting Unit Deduction Records **D.** Manage Personal Deductions **Answer: C** **Explanation:** Explanation/Reference: Explanation: Use the Manage Personal Deductions task in the Payroll Calculations or Payroll Administration work area to create deduction card overrides at the payroll relationship level. If overrides are allowed, the Overrides Allowed on Deduction Cards tab appears in the Component Details section of the Manage Deduction Cards page when you select a deduction component. Click Create to define an override. The override value you enter varies based on the type of override item defined in the deduction range, as described in the previous section. For example, you may enter a rate to be used in the deduction calculation or an amount to be added to the calculated amount. If your localization supports deduction cards at multiple levels, use the Manage Legal Entity Deduction Records task in the Setup and Maintenance work area to create deduction card overrides at the payroll statutory unit level. Use the Manage Legal Reporting Unit Deduction Records task in the Setup and Maintenance work area to create deduction card overrides at the tax reporting unit level.
