NEW QUESTION: 1The DrugFree Workplace Act of 1988 applies to which of the following types of organizations?**A.** Large corporations**B.** Academic organizations**C.** Local businesses governed under municipal laws**D.** Government agencies**E.** Federal contractors**Answer: E****Explanation:** Explanation: The DrugFree Workplace Act of 1988 applies specifically to federal contractors (specifically, the contractors that make at least \$100,000). Answer choices A, C, D, and E are incorrect because they inaccurately reflect the types of organizations to which the DrugFree Workplace Act of 1988 refers. Specifically, answer choice A is incorrect because it is far too vague. A federal contractor might be a large corporation, but not all large corporations are going to be federal contractors. Answer choice C is incorrect because federal contractors might be funded through government agencies but are entirely different organizations. Answer choice D is incorrect because it simply makes no sense: all local businesses will, in some way, be governed under municipal laws. Answer choice E is also incorrect because academic organizations - like most business that are not federal contractors - are responsible for developing their own substance abuse policies for the workplace.
