A. The role of HR is evolving into one that provides legal and operational services for the entire organization.
B. The role of HR is evolving into one that provides cultural awareness, administrative, and functional services for the entire organization.
C. The role of HR is evolving into one that provides strategic, administrative, and operational services for the entire organization.
D. The role of HR is evolving into one that provides administrative and operational services for the entire organization.
Answer: C
Explanation: Explanation/Reference: Answer option C is correct. The best definition of HR is that HR is evolving into a role that provides strategic, administrative, and operational services for the entire organization. Answer option A is incorrect. This isn't the best definition of HR as this answer doesn't include the administrative role of HR in the organization and it includes legal, which isn't valid. Answer option B is incorrect. This isn't the best definition of HR as this answer doesn't include strategic services. Answer option D is incorrect. This isn't the best definition of HR as doesn't include a direct component of cultural awareness.
