**NEW QUESTION: 1** From a legal perspective, what is the most important first step after an eDiscovery order has been received by the cloud provider?  
**A.** Key identification  
**B.** Data collection  
**C.** Notification  
**D.** Virtual image snapshots  
**Answer: C**  
**Explanation:** The contract should include requirements for notification by the cloud provider to the cloud customer upon the receipt of such an order. This serves a few important purposes. First, it keeps communication and trust open between the cloud provider and cloud customers. Second, and more importantly, it allows the cloud customer to potentially challenge the order if they feel they have the grounds or desire to do so.

**NEW QUESTION: 2** Which technology allows QoS-marked traffic to be sent over a dedicated link?
