How to make yourself stand out?

NEW QUESTION: 1The following is about the digital method is the certificate said wrong?**A.** When the received body is within the validity period of the certificate, but the device itself is not valid,the device time error certificate is lost.**B.** The integrity of the digital name guarantee number is signed.**C.** The number contains the public information certificate key.**D.** Even if the two entities are not in the same PRI CA, CA, the real system can complete the authenticationas long as both parties can identify each other.**Answer: D**

NEW QUESTION: 2Which of the following correctly describes the introduction of a government tax credit on investments?**A.** Tax credits on investments are designed to restrain inflation.**B.** Corporate investments will have higher net present values, all else equal, than without the tax credit.**C.** Tax credits on investments are taxes that are typically levied on individual projects rather than on groups of projects.**D.** Tax credits on investments increase investment costs, and all else equal, reduce the level of corporate investment.**Answer: B****Explanation:**An investment tax credit is an incentive because it directly reduces future tax payments. Thus, corporate investments will have higher net present values, all else equal, than without tax credits.

NEW QUESTION: 3**SIMULATION**Click to expand each objective. To connect to the Azure portal, type <https://portal.azure.com> in the browser address bar.When you are finished performing all the tasks, click the 'Next' button.Note that you cannot return to the lab once you click the 'Next' button. Scoring occur in the background while you complete the rest of the exam.**Overview**The following section of the exam is a lab. In this section, you will perform a set of tasks in a live environment. While most functionality will be available to you as it would be in a live environment, some functionality (e.g., copy and paste, ability to navigate to external websites) will not be possible by design.Scoring is based on the outcome of performing the tasks stated in the lab. In other words, it doesn't matter how you accomplish the task, if you successfully perform it, you will earn credit for that task.Labs are not timed separately, and this exam may

have more than one lab that you must complete. You can use as much time as you would like to complete each lab. But, you should manage your time appropriately to ensure that you are able to complete the lab(s) and all other sections of the exam in the time provided. Please note that once you submit your work by clicking the Next button within a lab, you will NOT be able to return to the lab. To start the lab you may start the lab by clicking the Next button. Your company plans to host in Azure the source files of several line-of-business applications. You need to create an Azure file share named corpsoftware in the storagelod8322489 storage account. The solution must ensure that corpsoftware can store only up to 250 GB of data. What should you do from the Azure portal? **Answer:** Explanation: See explanation below. Explanation Step 1. Go to the Storage Account blade on the Azure portal: Step 2. Click on add File Share button: Step 3. Provide Name (storagelod8095859) and Quota (250 GB). References: <https://docs.microsoft.com/en-us/azure/storage/files/storage-how-to-create-file-share>
