**NEW QUESTION: 4** Which choice below is NOT an accurate statement about the visibility of IT security policy? **A.** The IT security policy could be visible through panel discussions with guest speakers. **B.** The IT security policy should not be afforded high visibility. **C.** The IT security policy should be afforded high visibility. **D.** Include the IT security policy as a regular topic at staff meetings at all levels of the organization. **Answer: B** Explanation: Especially high visibility should be afforded the formal issuance of IT security policy. This is because nearly all employees at all levels will in some way be affected, major organizational resources are being addressed, and many new terms, procedures, and activities will be introduced. Including IT security as a regular topic at staff meetings at all levels of the organization can be helpful. Also, providing visibility through such avenues as management presentations, panel discussions, guest speakers, question/answer forums, and newsletters can be beneficial.
