1283 Satisfied Licensors 100% Success Guarantee Money secured [CCST-Networking](#) by Refund Policy Flexible Testing Engine Access Free Updates There are many ways you can partner with Photoexperienceacademy and develop new personal revenue streams, promote **CCST-Networking Valid Exam Review** popular or favorite products, or simply save time and money for your company with licensed solutions.

NEW QUESTION: 1Your company has a main office that contains several servers and several users. The main office contains a file server named Server1 that runs Windows Server 2012. The users access a large report file that is created on Server1 each day. The company plans to open a new branch office. The branch office will contain only client computers. You need to implement a solution to reduce the amount of bandwidth used by the client computers in the branch office to download the report each day. What should you do? More than one answer choice may achieve the goal. Select the BEST answer. **A.** Install the BranchCache for network files role service on Server1. Configure the client computers to use Branchcache in distributed mode. **B.** Configure the offline settings of the shared folder that contains the report. **C.** Enable the Background Intelligent Transfer Service (BITS) feature on Server1 and on each client computer in the branch office. Move the report to a web folder. **D.** Install the BranchCache for network files role service on Server1. Configure the client computers to use BranchCache in hosted cache mode. **Answer: A** Explanation: Distributed cache mode. In this mode, branch office client computers download content from the content servers in the main office and then cache the content for other computers in the same branch office. Distributed cache mode does not require a server computer in the branch office. Reference: BranchCache Deployment Guide [https://technet.microsoft.com/en-us/library/ee649232\(v=ws.10\).aspx](https://technet.microsoft.com/en-us/library/ee649232(v=ws.10).aspx)

NEW QUESTION: 2What does the document type control? There are 2 correct answers to this question. Response: **A.** Which account types are allowed for postings **B.** Whether negative postings are permitted **C.** Which posting keys are allowed for postings **D.** Whether exchange rate

difference is permitted **Answer: A,B**

NEW QUESTION: 3 You manage client computers that run Windows 8 and are part of a workgroup. These computers are configured to use Microsoft Update. Updates are downloaded every day at 10:00 and installed automatically. Users report that their computers sometimes reboot without any interaction. You need to prevent unplanned automatic reboots of the computers. What should you do? **A.** Enable the Automatic Updates detection frequency policy setting. **B.** Disable the Re-prompt for restart with scheduled installations policy setting. **C.** Enable the No auto-restart with logged on users for scheduled automatic updates installations policy setting. **D.** Enable the Reschedule Automatic Updates scheduled installations policy setting. **Answer: D**

NEW QUESTION: 4 Given the code fragments: Which code fragment, when inserted at line n1, enables the code to print Hank? **A:** B: C: D: **A.** Option C **B.** Option D **C.** Option A **D.** Option B **Answer: A**
