**A.** You cannot: assign security for user-defined custom dimensions.  
**B.** You can easily delete a user-defined custom dimension in Planning but you cannot delete an Entity dimension.  
**C.** You assign valid plan types for the user-defined custom dimension at the dimension level.  
**D.** You can only add custom attributes to user-defined custom dimensions.  
**E.** You assign data types for the user-defined custom dimension at the dimension level.  
**Answer: C**  
Explanation:User-defined custom dimensions differ from the Entity and Account dimensions in that you assign valid plan types at the dimension level, not at the member level. All members of a user defined custom dimension are valid for plan types assigned at the dimension level.
