NEW QUESTION: 4According to Edward T. Hall, the perception of time is monochronic or polychronic. Which cultures perceive time as monochronic?**A.** Arabic.**B.** Latin American.**C.** Mediterranean.**D.** Northern European.**Answer: D**Explanation:The perception of time as it relates to business and social life varies with the culture. Polychronic time is based on a perception that time is nonlinear, flexible, and multidimensional. This perception is typical of Mediterranean, Latin American, and Arabic cultures. Monochronic time is based on a perception that time is the same for everyone and is measurable in standard units. This perception is common in Northern Europe and the U.S. These western cultures believe in punctuality and that time is money and should not be wasted.
