NEW QUESTION: 2Following an authorized person through a door or other security check point without showing proper identification or defeating a security mechanism is known as which of the following?**A.** Emulating**B.** Partitioning**C.** Tailgating**D.** Hacking**Answer: C**

NEW QUESTION: 3Mary Shelley's 1818 classic Frankenstein has been the most-taught novel on college campuses in the country for the past 10 years. This is due primarily to the worries about scientific responsibility brought on by the recent surge of advances in science and technology, especially biotechnology. Which of the following statements, if true, would be most helpful in evaluating this argument?**A.** Most people who have not read the novel mistakenly assume that Frankenstein is the monster, not the scientist who created the monster.**B.** Frankenstein is

considered the first science-fiction novel. **C.** Most Americans are opposed to cloning human beings. **D.** In the novel, Frankenstein's creature causes a great deal of destruction because he is constantly rejected by others. **E.** In the novel, Victor Frankenstein creates a monster and then abandons it, refusing to take responsibility for his creation. **Answer: E**
Explanation/Reference: Explanation: The fact that Dr. Frankenstein brings a creature to life but then abandons that creature, refusing to take responsibility for his creation, tells us that one of Frankenstein's main themes is scientific responsibility. This would help explain why college professors concerned about scientific responsibility would choose this book. The other choices may be interesting and informative, but they do not help you evaluate the argument because they do not provide information that enables you to ascertain the relevance of the conclusion.

NEW QUESTION: 4A. Option B **B.** Option A **Answer: B**
