NEW QUESTION: 1 You have a container image that contains an AI solution. The solution will be used on demand and will only be needed a few hours each month. You plan to use Azure Functions to deploy the environment on-demand. You need to recommend the deployment process. The solution must minimize costs. Which four actions should you recommend Azure Functions perform in sequence? To answer, move the appropriate actions from the list of actions to the answer area and arrange them in the correct order. **Answer:** Explanation: Explanation

NEW QUESTION: 2 You have a computer named Computer1 that runs Windows10. Computer1 is in a workgroup. Computer1 contains the users shown in the following table. You need to apply the same Group Policy settings to only User1, User2 and User3. The solution must use a minimum number of local Group Policy objects (GPOs). How many local GPOs should you create? **A. 0 B. 1 C. 2** **Answer: A** Explanation: Explanation You can use security filtering to restrict the GPO to the required users. Only users with the Read and Apply Group Policy permissions will have the GPO applied to them.

NEW QUESTION: 3 When using a declarative page to store a list of currency rates used by an entire application, what is the most appropriate scope? (Choose One) **A. Node B. Application C. Requestor D. Thread** **Answer: A**

NEW QUESTION: 4 Which choices below are roles or responsibility of the person designated to manage the contingency planning process? Select three **A. Ensuring the identification of all critical business functions B. Providing direction to senior management C. Providing stress reduction programs to employees after an event D. Integrating the planning process across business units** **Answer: A, B, D** Explanation: Contingency planners have many roles and responsibilities when planning business continuity, disaster recovery, emergency management, or business resumption processes. In addition to correct answers some of these roles and responsibilities can include: Ensuring executive management compliance with the contingency plan program Providing periodic management reports and status Coordinating and integrating the activation of emergency response organizations Answer "Providing stress reduction programs to employees after an event", providing stress reduction programs to employees after an event, is a responsibility of the human resources area. Source: Contingency Planning and Management, Contingency Planning 101, by Kelley Goggins, March 1999.
