NEW QUESTION: 1DLP solutions can aid in deterring loss due to which of the following?**A.** Malicious disclosure**B.** Power failure**C.** Performance**D.** Bad policy**Answer: A****Explanation:**DLP tools can identify outbound traffic that violates the organization's policies. DLP will not protect against losses due to performance issues or power failures. The DLP solution must be configured according to the organization's policies, so bad policies will attenuate the effectiveness of DLP tools, not the other way around.
