The content of the free demo is part of the content in our real CTAL-TTA study guide, With the help of our CTAL-TTA dumps pdf, the students can select a question that seems appropriate to them and solve it.

Therefore, the CTAL-TTA prepare guide' focus is to reform the rigid and useless memory mode by changing the way in which the CTAL-TTA exams are prepared.

NEW QUESTION: 1 Siehe Ausstellung. Welche Art von Route verwendet R1, um den Host 10.10.13.10/32 zu erreichen?
A. Hostroute **B.** Netzwerkroute **C.** schwebende statische Route **D.** Standardroute
Answer: B
Explanation: From the output, we see R1 will use the entry "O 10.10.13.0/25 [110/4576] via 10.10.10.1, ..." to reach host 10.10.13.10. This is a network route. Note: "B* 0.0.0.0/0 ..." is a default route.

NEW QUESTION: 2 Those examples of poetic justice that occur in medieval and Elizabethan literature, and that seem so satisfying, have encouraged a whole school of twentieth-century scholars to "find" further examples. In fact, these scholars have merely forced victimized character into a moral framework by which the injustices inflicted on them are, somehow or other, justified. Such scholars deny that the sufferers in a tragedy are innocent; they blame the victims themselves for their tragic fates. Any misdoing is enough to subject a character to critical whips. Thus, there are long essays about the misdemeanors of Webster's Duchess of Malfi, who defied her brothers, and the behavior of Shakespeare's Desdemona, who disobeyed her father. Yet it should be remembered that the Renaissance writer Matteo Bandello strongly protests the injustice of the severe penalties issued to women for acts of disobedience that men could, and did, commit with virtual impunity. And Shakespeare, Chaucer, and Webster often enlist their readers on the side of their tragic heroines by describing injustices so cruel that readers cannot but join in protest. By portraying Griselda, in the Clerk's Tale, as a meek, gentle victim who does not criticize, much less rebel against the prosecutor, her husband Walter, Chaucer incites readers to espouse Griselda's cause against Walter's oppression. Thus, efforts to supply historical and theological rationalization for Walter's persecutions tend to turn Chaucer's fable upside down, to deny its most obvious effect on reader's sympathies. Similarly, to assert that Webster's Duchess deserved torture and death because she chose to marry the man she loved and to bear their children is, in effect to join forces with her tyrannical brothers, and so to confound the operation of poetic justice, of which readers should approve, with

precisely those examples of social injustice that Webster does everything in his power to make readers condemn. Indeed. Webster has his heroin so heroically lead the resistance to tyranny that she may well in spire members of the audience to imaginatively join forces with her against the cruelty and hypocritical morality of her brothers. Thus Chaucer and Webster, in their different ways, attack injustice, argue on behalf of the victims, and prosecute the persecutors. Their readers serve them as a court of appeal that remains free to rule, as the evidence requires, and as common humanity requires, in favour of the innocent and injured parties. For, to paraphrase the noted eighteenth-century scholar, Samuel Johnson, despite all the refinements of subtlety and the dogmatism of learning, it is by the common sense and compassion of readers who are uncorrupted by the characters and situations in mereval and Dlizabetahn literature, as in any other literature, can best be judged. The author's tone in her discussion of the conclusions reached by the "school of twentieth-century scholars" (line 4) is best described as **A. apologetic** **B. disparaging** **C. philosophical** **D. plaintive** **E. enthusiastic**
Answer: B Explanation: Explanation/Reference: Explanation:

NEW QUESTION: 3 Which of the following are some of the general requirements for using Kerberos Authentication? (Choose all that apply) (a) SGOS 4.2x or higher (b) Internet Explorer 5 (c) Transparent Proxy Deployment (d) Windows 2000 and above **A. a, b & c only** **B. a, c & d only** **C. All of the above** **D. b, c & d only** **Answer: B**
