NEW QUESTION: 3Which of the following is NOT a characteristic of the Project Management Plan?
A. Must be approved by project sponsor
B. Collection of subsidiary plans
C. Formal, written communication
D. A bar chart that shows the order of tasks and their resource assignments
Answer: D Explanation: The Project Management Plan is not a bar chart (or a Gantt chart). It's the collection of all of the planning documents you create through all of the knowledge areas within the five process groups. It describes how your project will handle all of the activities associated with your project work.
