Scenario: Technical Requirements include: Prevent user passwords or hashes of passwords from being stored in Azure. References: <https://www.sherweb.com/blog/active-directory-federation-services/Topic 3, Lab 1> SIMULATION The following section of the exam is a lab. In this section, you will perform a set of tasks in a live environment. While most functionality will be available to you as it would be in a live environment, some functionality (e.g., copy and paste, ability to navigate to external websites) will not be possible by design. Scoring is based on the outcome of performing the tasks stated in the lab. In other words, it doesn't matter how you accomplish the task, if you successfully perform it, you will earn credit for that task. Labs are not timed separately, and this exam may have more than one lab that you must complete. You can use as much time as you would like to complete each lab. But, you should manage your time appropriately to ensure that you are able to complete the lab(s) and all other sections of the exam in the time provided. Please, note that once you submit your work by clicking the Next button within a lab, you will NOT be able to return to the lab. To start the lab You may start lab by clicking the Next button Tasks Click to expand each objective To connect to the Azure portal, type <https://portal.azure.com> in the browser address bar. Instructions Performance Based Lab This type of question asks you to perform tasks in a virtual environment. The screen for this type of question includes a virtual machine window and a tasks pane. The window is a remotely connected live environment where you perform tasks on real software and applications. On the

right is a Tasks pane that lists the tasks you need to perform in the lab. Each task can be expanded or collapsed using the "+" or "-" symbols. A checkbox is provided for each task. This is provided for convenience, so you can mark each task as you complete it. TasksClick to expand each objective-Configure serversAdd the "Print and Document Services" role to server LON-SVR1, installing any required management features and enabling both Print and LPD Services.+Configure file and share accessWhen you are finished performing all the tasks, click the 'Next' button.Note that you cannot return to the lab once you click the 'Next' button. Scoring occur in the background while you complete the rest of the exam.CommentsOnce the exam completes, the comment period will begin and you will have the opportunity to provide comments to Microsoft about the exam questions. To launch the comment period, click the "Finish" and then "Comment" buttons. To skip the comment period and the exam, click Exit. You can navigate to a question from the Review screen to provide a comment. Please, see the Review Screen tab in the Review Screen help Menu (which can be accessed from the Review Screen) for details on accessing questions from the Review Screen.To comment on a question, navigate to that question and click the Give Feedback icon.
