NEW QUESTION: 3 **A.** Internal**B.** Strategy**C.** external**D.** resource**E.** vision**Answer: B,C****Explanation:** Explanation Internal and External Influencers Businesses are impacted by internal and external influencers. Internal influencers are what the business has direct control over. External influencers are market trends, regulations, or situations that are outside of the control of the business. Internal and external influencers each have four key areas to consider. Each key area will have associated attributes that may vary across organizations. Internal Influencers The business has direct control over internal influencers. Organizational culture, readiness, maturity level, and investment decision can have both positive and negative impacts on the ability of a business to function effectively. Understanding the various internal influencers determines how a Cisco Business Architect engages with business leaders and stakeholders, the degree of relevance for Cisco, and the probability of success in helping the business reach its target state. Examples of internal influencers include factors that are associated with organizational readiness, organizational culture, maturity level, and investment decisions. External Influencers External influencers can have a major impact on the business. Consider something as a single governmental mandate or regulation that may enable a new business possibility or invalidate a new idea or current business capability. Examples of external influencers include factors that are associated with key trends, market forces, macroeconomic forces, and industry forces. External regulations and emerging technology are also external influencers. New or amended regulations may require new business capabilities and solutions. Emerging technology trends can either enhance or hinder their competitive advantage in the market. These influencers can be taken into consideration when making investment decisions or identifying the business impact or risks that may result from not making investments
