NEW QUESTION: 1Please wait while the virtual machine loads. Once loaded, you may proceed to the lab section. This may take a few minutes, and the wait time will not be deducted from your overall test time. When the Next button is available, click it to access the lab section. In this section, you will perform a set of tasks in a live environment. While most functionality will be available to you as it would be in a live environment, some functionality (e.g., copy and paste, ability to navigate to external websites) will not be possible by design. Scoring is based on the outcome of performing the tasks stated in the lab. In other words, it doesn't matter how you accomplish the task, if you successfully perform it, you will earn credit for that task. Labs are not timed separately, and this exam may more than one lab that you must complete. You can use as much time as you would like to complete each lab. But, you should manage your time appropriately to ensure that you are able to complete the lab(s) and all other sections of the exam in the time provided. Please note that once you submit your work by clicking the Next button within a lab, you will NOT be able to return to the lab. Username and password Use the following login credentials as needed: To enter your username, place your cursor in the Sign in box and click on the username below. To enter your password, place your cursor in the Enter password box and click on the password below. Microsoft 365 Username: [\[email protected\]](#) Microsoft 365 Password: sc43@EMt

Related Postsg%gIf the Microsoft 365 portal does not load successfully in the browser, press CTRL-K to reload the portal in a new browser tab. The following information is for technical support purposes only: Lab Instance: 11024416 You need to ensure that all the users in your tenant can only share calendar availability information with users in the tenant and users in a domain named contoso.com. To complete this task, sign in to the Microsoft 365 admin center.

Answer: Explanation: See explanation below Explanation You need to modify the default Sharing Policy. 1. Go to the Exchange Admin Center. 2. Click 'Organization' in the left navigation pane. 3. In the Individual Sharing section, select the Default Sharing Policy and click the edit icon. 4. Remove the two existing sharing rules by selecting each rule and clicking the minus (-) icon. 5. Click the plus (+) icon to add a new sharing rule. 6. Select the 'Sharing with a specific domain' option and enter the domain contoso.com. 7. Click Save to save the sharing rule. 8. Click Save to save the sharing policy.

NEW QUESTION: 2 A Citrix Administrator complains that between the two rewrite policies bound to the vserver, only one policy, whichever has lower priority, works. The other policy is never used. Click the "Exhibit" button to view the screenshot of the relevant policy binding. What is the cause of the issue?
