NEW QUESTION: 1What should be achieved when setting the scope of an organisation's Green IT Policy?**A.** A definition of what people are required for the project.**B.** A definition of what goals are required for the project.**C.** A definition of what resources are required for the project.**D.** A definition of what activities are required for the project.**Answer: B**

NEW QUESTION: 2Company Background Corporate Information Lucerne Publishing produces magazines. The company has 225 employees. Lucerne Publishing has affiliates in five countries in Europe. Existing Environment Existing Licensing Solution Lucerne Publishing has a main office and multiple branch offices. Licenses for all branch offices are purchased under an Open License agreement without Software Assurance. The agreement includes licenses for the following: Microsoft Office Professional 2003 Windows XP Professional Upgrade The Open License agreement has expired. Business Requirements Planned Changes The company's revenue is decreasing. To reduce operating costs, the company plans to reduce the number of employees and the number of desktops and portable computers. After the cost reductions, some former employees will work for the company as contractors. All contractors must purchase their own portable computers because they will not be working exclusively for Lucerne Publishing. All employees will require a new third-party accounting application that requires Office Professional 2007. The company plans to implement a collaboration solution for the contractors. This collaboration solution must not require a server. Business Goals Lucerne Publishing has the following business goals: Upgrade Microsoft software to the latest version when available Avoid external financing for licenses and minimize initial licensing costs Implement a collaboration solution for contractors only Protect the data on portable computers owned by the company in case of theft Choose a licensing solution that allows the company to reduce the number of licenses for computers Prevent all contractors from accessing the company's internal network. Question You are performing an initial assessment of the company's current environment. What is the company allowed to do according to the

company's existing licensing solution for Office? **A.** Continue to use Office Professional 2003 **B.** Implement Office Web Apps **C.** Upgrade to Office Professional Plus 2010 **D.** Apply for a refund for unused licenses **Answer: A**

NEW QUESTION: 3 While you create a new development goal, you notice that the Start Date and End Date are prepopulated. Where do the default dates come from? **A.** Update/Modify Templates in Provisioning **B.** General settings in Manage Templates **C.** Company Settings in Provisioning **D.** Edit Categories in Manage Templates **Answer: B**
