NEW QUESTION: 4 HOTSPOT
Answer: Explanation: Explanation: Note: See step 3 and 4 below. If you stop inheritance and create unique permissions for the list or library, you can then add users or SharePoint groups directly to the list or library.
1. Open the list or library to which you want to add users or SharePoint groups.
2. On the Settings menu, click Document Library Settings or List Settings.
3. On the Customize page, in the Permissions and Management column, click Permissions for this document library or Permissions for this list.
4. If your list or library is inheriting permissions, you must first stop inheriting permissions. To do this, on the Actions menu, click Edit Permissions, and then click OK to confirm that you want to create unique permissions.
5. On the New menu, click Add Users.
6. In the Add Users section, specify the users and SharePoint groups that you want to add to this list or library.
7. In the Give Permission section, either add the users to an existing SharePoint group or give them permission directly to the list or library and then select one or more of the checkboxes to give these users the permissions that you want.
