**NEW QUESTION: 4** Which of the following would fall under the definition of "agent," as defined by the Uniform Securities Act (USA)?  
**A.** None of the above would fall under the definition of "agent," as defined by the Uniform Securities Act (USA).  
**B.** Freedom broker-dealers executes the purchase and sale of securities for its customers.  
**C.** TrustUs Bank has a subsidiary operation that sells mutual funds to the public.  
**D.** Joe works as an administrative assistant for broker-dealer GetErDone, doing data entry, filing client forms that contain confidential information, and directing calls to registered representatives of the firm.  
**Answer: A**  
**Explanation:** None of the selections describe an "agent," as defined by the Uniform Securities Act (USA.) Joe is not executing trades for clients of the broker-dealer, and clerical assistants are not classified as agents. Agents must be individuals, so a firm like Freedom broker-dealers would not be considered an agent. A bank is not an individual, and banks are even excluded from the definition of a broker-dealer.
