NEW QUESTION: 1You need to create the Sales Reporting shared SSRS data source.Which SSRS data connection type should you use?**A.** Microsoft SQL Server**B.** OLE DB**C.** ODBC**D.** OData
Answer: A

NEW QUESTION: 2The delivery of care is impacted by all of the forces except:**A.** Social forces**B.** Economic forces**C.** Political forces**D.** Regional forces**Answer: D****Explanation:**Explanation: The delivery of care is impacted by all of the forces except regional forces. Delivery of care has different forces like Social forces, Political forces, Regulatory forces, and Economic forces. Regional forces are not part of the delivery of care.

NEW QUESTION: 3What does the HP ALM Site Administration application enable authorized users to do?**A.** An ALM multisite environment is one in which a single instance of HP ALM is used to maintain more than one ALM web application where the applications are configured to share data such as user profiles and domain and project data. Site Administration is a web application that enables users to register and configure Web sites in a multisite setup.**B.** HP ALM configuration settings are stored in an XML file named HP_ALM.config, which is located in the root folder of the ALM Web application. The HP ALM Site Administration lets users change the ALM site configuration without having to manually edit the HP_ALM_config file. By default, the Site Administration also creates a database to store application services data, such as membership and roles information**C.** Site Administration enables users to create and configure options for individual modules supported by HP ALM, including site directories: security, content creation, formatting, and classification settings; permissions and approval levels;

search and saved search collections and the CommonSpot Rich Text Editor. **D.** Using HP ALM Site Administration, users create and maintain projects, users, servers, site connections, license usage, and parameters. They can also define site administrators and change site administrator passwords. **Answer: D** Explanation: (http://tims.nnit.com/qcbin/Help/doc_library/pdfs/AdminGuide.pdf)
